

SIMRAUNGADH CIVIC HUB

User Experience & Citizen Benefits Overview — What Users Experience & How It Helps

Target Audience: Citizens of Simraungadh Municipality (Wards 1–12)

Core Purpose: Instant 1-Tap Civic Problem Reporting, Emergency Help, Official Notices & Ward Services

1. Daily User Experience — Step-by-Step

■ 1. Easy 1-Tap Google Sign-In & Ward Setup

What User Experiences: Open the app → Tap 'Continue with Google' → Pick your Ward number (1 to 12) on a big 12-button grid.

■ **How It Helps:** *Elderly citizens don't need to remember passwords or type long email addresses. Onboarding takes under 15 seconds.*

■ 2. Report Any Local Problem in 30 Seconds

What User Experiences: Tap '+ Report Issue' → Snap a photo of a pothole, broken pipe, garbage buildup, or streetlight → Select Category → Tap Submit.

■ **How It Helps:** *No more taking time off work to visit the ward office or waiting in long government queues to submit complaints.*

■ 3. Live Phone Alerts as Your Problem Gets Fixed

What User Experiences: Receive real-time push notifications when the ward office reviews your complaint: Pending ■ → Under Investigation ■■ → Resolved ■.

■ **How It Helps:** *Complete transparency! Citizens know exactly when municipal workers are on site and when the issue is fixed.*

■ 4. Instant 1-Tap Emergency Calling & Direct Help

What User Experiences: Open Directory → Tap 1-click call button for Police, Ambulance, Fire Brigade, Ward Offices, or Mayor's Office.

■ **How It Helps:** *Saves critical lives during medical emergencies, fires, floods, or crime by providing immediate access to verified contacts.*

■ 5. Verified Official News & Emergency Warnings

What User Experiences: View urgent flood alerts, municipal notices, budget decisions, and download official PDF notices inside the app.

■ *How It Helps:* Protects citizens from false rumors and keeps families safe during natural disasters or health advisories.

■■■ 6. Local Simraungadh Weather & Farming Tips

What User Experiences: Open home screen to view live temperature, rainfall predictions, and local agricultural advice for Simraungadh.

■ *How It Helps:* Helps local farmers decide when to plant crops, irrigate fields, or protect harvests from unexpected rain.

■ 7. Municipal Service Guides & Tax Info

What User Experiences: Browse complete requirements for Birth/Death Certificates, Marriage Certificates, Ward Recommendations (■■■■■■■■■■), and Taxes.

■ *How It Helps:* Citizens bring the right documents on their first visit, saving multiple unnecessary trips to government offices.

2. How This App Helps Every Citizen Group

■ Elderly Citizens & Grandparents	• No passwords to remember (1-tap Google login) • Large, easy-to-tap 12-Ward buttons • Full Nepali language support for easy reading
■■■ Local Farmers & Laborers	• Real-time local weather & rain forecasts • Agriculture advisories for crops & livestock • Direct contact numbers for agricultural officers
■■■ Working Parents & Youth	• Submit neighborhood reports in 30 seconds from home • Track complaint progress without missing work • Earn Civic Points and community badges

Simraungadh Civic Hub — Bringing Government Right to Your Fingertips

Empowering citizens, improving Ward infrastructure, and building a cleaner, safer Simraungadh together.
